Online Syllabi and Course Materials

Online Syllabi and Course Materials
MERLOT is worth browsing for many online learning materials that may be useful in teaching sociology.

Resources specific to sociology

An example of what MERLOT has to offer is this PBS program, “Juvenile Justice: Should Teens Who Commit Serious Crimes Be Tried and Sentenced as Children or Adults?”
Simulations and Gaming in Sociology

This site provides an annotated bibliography compiled by Richard L. Dukes, Colorado University, of mainly non-Internet-based materials related to using simulations and gaming in sociology. Includes books, articles, periodicals, directories, Internet sites, and centers. Click on “Findings” for a detailed list of suggestions for running simulations/games in the classroom.

Topical Instructional Resources

*Sociologists for Women in Society*
An organization dedicated to improving the position of women in sociology and in society. Provides a broad range of research and teaching resources including film lists, fact sheets, reading lists, teaching materials, and research on the effects of gender on teaching evaluations.

http://www.socwomen.org/ [8]

*Understanding Prejudice.*
This site contains over 2,000 links to prejudice-related resources, plus searchable databases, exercises and demonstrations, and college-level teaching materials.
